Introduction

This Rulebook sets forth the rules to be used for the February 2024 San Diego County High School Mock Trial Competition. The San Diego County High School Mock Trial Committee (SD Committee) is planning an in-person competition at the San Diego Superior Court, 1100 Union Street, San Diego.

Administration

Rule 1.1 — Rules

- A.** All mock trials in San Diego County will be governed by the California Mock Trial Rulebook, California Case Materials, and the California Mock Trial Rules of Evidence, produced by Teach Democracy, as modified by the SD Committee.
- B.** All participants in the San Diego County High School Mock Trial Competition must follow all rules and procedures as specified in the Mock Trial materials or disseminated by the SD Committee. Failure of any member or affiliate of a team to adhere to the rules may result in consequences up to and including disqualification or expulsion of that team.

Rule 1.2 — Code of Ethical Conduct

All participants (including observers) are bound by all sections of this Code and agree to abide by the provisions.

- A.** All competitors, teachers, attorney coaches, and observers, will show courtesy and respect for their opponents and all courthouse staff, judges, attorney coaches, teachers, mock trial staff, and volunteer personnel.
- B.** All competitors, teachers, attorney coaches, and observers, will show dignity and restraint, irrespective of the outcome of any trial. Trials, contests, and activities will be conducted honestly, fairly, and with civility.
- C.** All competitors, teachers, and attorney coaches will conform to the highest standards of deportment. Teams may not employ tactics they believe to be wrong or in violation of the Rules. Teams will not willfully violate the Rules of the competition in spirit or in practice. All teams are responsible for ensuring that all observers are aware of the Code.
- D.** Teachers agree to focus on the educational value of the Mock Trial Competition. They shall discourage willful violations of the Rules and/or this Code. Teachers will instruct students as to proper procedure and decorum and will assist their students in understanding and abiding by the letter and the spirit of the competition's Rules and this Code of Ethical Conduct.
- E.** Attorney coaches agree to uphold the highest standards of the legal profession and will zealously encourage fair play to focus on the educational value of the Mock Trial Competition. Attorney coaches are reminded that they must serve as positive role models for the students. They will promote conduct and decorum among their team and fellow coaches in accordance with the letter and the spirit of the competition's Rules and this Code of Ethical Conduct and will demonstrate the same through their own behavior. They will emphasize the educational value of the experience by requiring that all courtroom presentations (e.g., pretrial, questions, objections, etc.) be substantially the work product of the competing students.
- F.** By participating in the program, students, teachers, and attorney coaches are presumed to have read and agreed to the provisions of the Code. Violations of this Code of Ethical Conduct may be grounds for disqualification from the competition and/or suspension or expulsion from the program.

Rule 1.3 — School Eligibility

- A. To participate in the state finals, each county must implement procedures in B-F, listed below.
- B. A Mock Trial County coordinator must be identified (usually through the county office of education) and approved by Teach Democracy. The county coordinator must register their county, agree with the terms and responsibilities set forth by Teach Democracy, and pay county registration fees by set deadlines.
- C. Working in conjunction with Teach Democracy, the county coordinator must plan and implement a county competition involving only schools from their own county. With Teach Democracy approval, the county coordinator may represent more than one county.
- D. If a school is the only school participating in Mock Trial from a county in which no county competition is conducted, that school will be eligible for the state finals.
- E. All county competitions must be completed by March 1, 2024. County coordinators must inform Teach Democracy of the name of the winning school by March 1, 2024. Should the county's winning school not be able to participate at the state finals, then the second-place team is eligible to represent the county at the state finals.
- F. In addition to registering with their county, all schools and individual competitors must provide information requested by the SD Committee to assist the committee with the Teach Democracy registration.
- G. Home-schooled students may participate in the Mock Trial Program in one of two ways:
 - 1. As a member of the team at the public school the student would attend if not home-schooled.
 - 2. As a member of an independent team exclusively composed of home-schooled students within their county.
 - 3. Applicants must seek approval from their local county coordinator and are subject to Teach Democracy approval.
- H. Two small schools may temporarily, for no more than two years, join to form a single Mock Trial team if neither school had a pre-existing Mock Trial Program to pilot the program. For the purposes of the California Mock Trial Program, a "small" school is one with 200 or fewer enrolled students. Applicants must seek approval from their local county coordinator and are subject to Teach Democracy approval. Such combination teams are eligible to represent their county at the state finals.
- I. Mock Trial teams must be an official school-based program. On a case-by-case basis, non-school based non-profit organizations (i.e., Boys/Girls Clubs, YMCA, etc.) may be permitted to sponsor a Mock Trial team for students whose school does not offer the Mock Trial Program. However, attempting to create an all-star team is not permitted. Among requirements that applicants must demonstrate are a non-profit in good standing, have an operational history as a youth-serving organization, provide adequate insurance, and have a functioning governance structure. Applicants must seek approval from their local county coordinator and are subject to Teach Democracy approval.

Rule 1.4 — Copyright and Plagiarism

- A. The California Mock Trial case materials are protected by copyright law and may not be re-printed anywhere, including posting on the Internet, without express permission from Teach Democracy. In addition, the current California Mock Trial case materials may not be used in invitationals, tournament, and academic camps without express written permission from Teach Democracy. Any violation of this rule may result in litigation and in disqualification of a team or county. However, Teach Democracy grants to all recipients a license to reproduce the exhibits, for distribution to registered and competing students and educators.

- B. Any alteration or viewing of confidential California Mock Trial case materials posted on the Teach Democracy website will result in the immediate school disqualification and potential litigation.
- C. Plagiarism* of any kind is unacceptable. Students' written and oral work must be their own. (*Webster's Dictionary defines plagiarism as, "to steal the words, ideas, etc. of another and use them as one's own.")
- D. Trials are open to participating teams and their invitees as permitted by the SD Committee. No intentional scouting is allowed.
- E. Teams may be supplied links on digital platforms so that family members, friends and other team members may observe their team's performance. These links may be shared only with those expressly authorized by the SD Committee. No intentional scouting is allowed, and links may not be shared with teams other than those performing in a particular courtroom. Observers watching on a digital platform may not, under any circumstances, record any portion of a mock trial session.

Rule 1.5 — Scouting

- A. Competitors, teachers, attorney coaches, and any other persons directly associated with a mock trial team, except for those authorized by the competition administrators, are not allowed to view other teams' trials, so long as their team remains in the competition.
- B. Competitors and individuals associated with competing teams are prohibited from contacting any other team in any manner to obtain information about an opponent. This prohibition is read and will be construed broadly, and it includes, without limitation, any form of personal communication, voice/telephone communication, and/or electronic communication, including electronic mail, instant messaging, and communication or messaging through social media sites.
- C. It is not a violation of this rule for teams to participate voluntarily in practice or scrimmage matches prior to competition. It is a violation of this rule for teams to seek information about opposing teams in rounds of the competition from individuals who observed such scrimmages, including members of the team competing in that scrimmage.
- D. Violations of this rule may be grounds for disqualification from the competition and/or suspension or expulsion from the program.

Teams

Rule 2.1 — Team Eligibility

- A. A teacher or school administrator must be identified to serve as the liaison to the SD Committee and will be responsible for submitting all required forms and team registration fee.
- B. All competitors must be eligible under school district and state rules applicable to involvement in extracurricular activities.
- C. All competitors must be currently registered during the academic year as students at the school for which they are competing.
- D. The teacher or school administrator has an affirmative duty to verify each competitor's eligibility. Submission of the team roster constitutes certification that the status of each participant has been verified.
- E. After **January 19, 2024**, no new competitors may be added to a team. This also applies to individual teams from counties where two teams per school are allowed. Competitors must remain in the designated registered team, no substitution between teams. Teams representing a county at the state finals must be composed of students who registered and participated on the current county winning team.

Rule 2.2 — Team Composition

A. A team must have a minimum of 8 students to participate and may have up to a maximum of 25 students. We encourage teams to use the maximum number of students allowable, including support roles, such as researchers and understudies. We highly encourage teams to have more than the minimum competitors, should there be a need for substitutes/understudies if competitors are not able to participate in the competition at any given time. As much as possible, competitors are to evenly divide their duties. Involvement of all possible competitors in the presentation of the case is reflected in the team presentation/participation score. Pretrial attorneys may not serve as trial attorneys during the same round but may serve as a witness, unofficial timer, or bailiff.

Prosecution Roles	Defense Roles
Pretrial Motion Attorney – 1 student	Pretrial Motion Attorney – 1 student
Trial Attorneys – 2 to 3 students*	Trial Attorneys – 2 to 3 students*
Witnesses – 4 students	Witnesses – 4 students
Clerk – 1 student	Bailiff – 1 student
	OPTIONAL-Unofficial Timer – 1 student
*A minimum of two trial attorneys with a maximum of three trial attorneys. It is highly recommended that different trial attorneys conduct the opening statement and the closing argument and that each trial attorney conduct at least one direct examination and one cross-examination.	

B. At each trial, a team must have a minimum of 8 active students composed of registered competitors only. In the event of an emergency that would cause a team to be unable to participate with minimum number of active competitors, the team must notify the SD Committee as soon as possible. It is within the sole discretion of the SD Committee to determine whether an emergency exists, and the SD Committee will decide whether the team will forfeit or whether the team may continue with less than eight active competitors for that round without point deductions. The SD Committee will notify the scoring panel if permission has been granted for the team to compete with fewer than 8 active competitors for that round and instruct them not to deduct point. Point deductions should be taken if a team continues with less than 8 active competitors for more than one trial.

Active Competitor* – A minimum of 8 at each trial	
	Prosecution/Defense
Pretrial Motion Attorney	1 Student
Trial Attorneys	2 Students
Witnesses	4 Students
Clerk/Bailiff	1 Student
*An active competitor is defined as the student that will be serving a role in a trial.	

C. A trial team lineup (a roster of competing students for a round) must be submitted prior to each trial. The trial team lineup must identify the 8 minimum active registered competitors and their roles. No changes may be made after submission and students must perform the roles as identified on the trial team lineup. The bailiff should distribute the trial team lineup to the judge, scoring attorneys, and opposing team. For the San Diego County competition, teams must add student photos to the trial team lineup but may not add any other information except as permitted by these rules.

D. If any section of Rule 2.2 A or B has been violated, scorers may deduct up to five points from the team’s participation score. Scorers have discretion to deduct up to three points from the team score for violations of Rule 2.2 C.

Rule 2.3 — Team Withdrawal

- A. If a team needs to withdraw from a competition, the teacher must notify the SD Committee as soon as possible.
- B. Competition registration fees are non-refundable after January 19, 2024.
- C. If a team is eligible to move on to the state finals or national competition and decides not to participate, the team must notify the SD Committee by February 27, 2024.

The Trial

Rule 3.1 — The Case

- A. The case materials contain the sources for the Mock Trial Program. These sources include the facts, witness statements, all the pretrial materials, charges, exhibits, rules of evidence, stipulations, role descriptions, Mock Trial procedures and California Mock Trial Simplified Rules of Evidence.
- B. The fact situation is a set of indisputable facts.
- C. Stipulations may not be disputed at trial.
- D. Stipulations will be considered part of the record and already admitted into evidence.
- E. Stipulations and charges will not be read into the record.

Rule 3.2 — Trial Procedures

- A. The Mock Trial Competition is a bench trial. Attorneys and witnesses are not allowed to verbally address the scoring attorneys as if they were a jury (i.e., “Ladies and gentlemen of the jury...”).
- B. When the trial begins, the judge will ask the active competitors, teachers, and attorney coaches to introduce themselves. Other than the bailiff when distributing the trial team lineup, competitors must not communicate with the scoring attorneys until the conclusion of the trial.
- C. Teams will be identified by team code only and not by school name.
- D. All competitors are required to wear appropriate courtroom attire. Teams and observers are prohibited from wearing clothing that identifies their school.
- E. At least one attorney coach or teacher must be in the courtroom during the trial. Teachers, attorney coaches, and competitors are to remain in the courtroom throughout the trial to avoid disrupting the trial. Observers may leave and reenter the courtroom if they can do so without disrupting the mock trial.
- F. Teams are required to bring six (6) copies of their trial team lineup to their assigned courtroom for each round of the competition which will be distributed to the judge, scoring attorneys, and opposing team. Teams competing in San Diego County shall add competitors’ photos to their trial team lineup but may not add any other information not permitted by this rule. In addition, teams are required to bring to their assigned courtroom, five (5) copies of the award nomination form filled out with the competing students’ names for that round which will be distributed to the judge and scoring attorneys. A fillable trial team lineup form and award nomination form can be found at www.sdmocktrial.org on the materials page.
- G. All competitors participating in a trial must be in the courtroom at the scheduled time, ready to begin. They are to remain in the courtroom throughout the trial. Incomplete teams must begin the trial without their missing members or with their substitutes. If a scheduled team is not present in the assigned courtroom within 15 minutes, that team forfeits the trial and is subject to possible disqualification (subject to the discretion of the SD Committee). Mock Trial teams traveling to the downtown Superior Court Central Courthouse should allow for traffic delays. Teams shall allow for the additional time it takes to get through security screening at the courthouse entrance.
- H. Recesses will not be allowed for any reason (unless authorized by Mock Trial staff or judge).
- I. Use of laptop computers, tablets, cellular/smart phones or other electronic devices during mock trial is prohibited.
- J. To participate in the San Diego County competition, teams have agreed to allow video recording and still photography for use by the SD Committee. Teams may only video/audio record a trial involving

their school and must get approval from the opposing team. Recording is for educational purposes only. A team's trial recordings can only be shared with current team (including teachers and coaches). The recordings may not be posted, streamed, or shared with anyone else. Teams are also to be notified of this rule as any violations could result in sanctions to the team up to and including disqualification. Neither the SD Committee nor Teach Democracy will accept any video for complaint purposes.

- K. Other than the exhibits provided in the trial material, no other illustrative aids of any kind may be used.
- L. Props, costumes, and theatrical makeup are prohibited. Costuming includes hairstyles and clothing accessories that are specific to a role in the case. In keeping with the educational philosophy and objectives of the Mock Trial Program, teams should concentrate on presenting the trial in a realistic manner, with witnesses wearing appropriate courtroom attire and using their normal speaking voices, with no artificial accents. Portrayals of racial, ethnic, and gender stereotypes are inappropriate and are not allowed.
- M. Gender-neutral names allow for students of any gender to play the role of any witness. SD Mock Trial permits participants, including witnesses, to indicate on the trial team lineup, or on the record, their preferred pronouns. However, no points should be deducted for using the incorrect pronoun. During trial, questions regarding gender, race, or physical characteristics not included in the official case materials are not allowed. A witness is prohibited from referring to their own physical traits or gender as well as the physical traits or gender of other witnesses where such information is not included in any witness statement. (For example, a witness cannot call attention to their size to show inability to complete some physical act included in the case materials or state that witness was treated differently because of their gender.) An attorney is likewise prohibited from making arguments pointing out physical traits of a witness not otherwise included in the case materials. Such references are unfair extrapolations, see Rule 3.9 for point deductions. Teams are not prohibited, however, from raising issues about general or common human traits and abilities relevant to the case.

Rule 3.3 — Trial Communication

- A. Once the trial has begun, teachers, attorney coaches, alternates, and observers are not allowed to communicate (including, but not limited to, signaling, texting, and passing notes) with the competitors unless permitted by these rules.
- B. The Mock Trial Competition is a bench trial. Attorneys and witnesses are not allowed to verbally address the scoring attorneys as if they were a jury.
- C. Communication between trial attorneys is allowed during the trial but must not be disruptive.
- D. The defendant may sit at the counsel table and communicate with the defense attorneys. All communication must not be disruptive to the trial.
- E. After the pretrial motion, the pretrial attorneys may not sit with the trial attorneys. Pretrial attorneys may not communicate with the trial attorneys at any time during the trial.
- F. Once the trial has begun, other than what is permitted by these rules, there must be no communication among competitors.
- G. Scorers must deduct five points from the team score for each violation of Rules 3.3 A or E and F. Scorers may impose up to two points from the team score for each violation of Rules 3.3 B or C and D, or if communication permitted by this rule is disruptive.

Rule 3.4 — Conduct of the Pretrial Motion

- A. The defense will argue the pretrial motion first.
- B. Each attorney arguing a pretrial motion has four minutes to present a statement and two minutes for rebuttal. During these proceedings, pretrial attorneys must be prepared to answer questions from the judge to clarify their position.

- C. No objections are allowed during pretrial arguments. Two points must be deducted for each objection made during pretrial arguments.
- D. To present a position in the most persuasive manner, attorneys should carefully review and become familiar with the materials provided in the mock trial case materials.
- E. Additional background research may supplement their understanding of the issues at hand, but such supplemental materials may not be cited in arguments.
- F. No written pretrial motion memoranda may be submitted at trial.

Rule 3.5 — Attorneys

- A. The prosecution presents the opening statement and closing argument first.
- B. The attorneys may not make their opening statement, conduct their direct examination/cross-examination of witnesses, or closing argument from the well. They must remain behind the podium or counsel table. Attorneys may seek the permission of the judge to enter the well for the limited purpose of presenting an exhibit to a witness or questioning a witness about an exhibit.
- C. Attorneys may conduct a re-direct examination when appropriate. No re-cross-examination is allowed. Witnesses may not be recalled to the stand.
- D. The attorney who conducts the direct examination of a witness is the only person allowed to make objections to the cross-examination of that witness. The attorney who conducts the cross-examination of a witness is the only person allowed to make objections during the direct examination of the witness. Scorers may deduct up to two points from the offending attorney's score for each objection made by the wrong attorney.
- E. Attorneys may use paper notes while presenting their cases. Notes in any digital format or on a device may not be kept or used during trial.
- F. The Mock Trial Competition proceedings are governed by the California Mock Trial Simplified Rules of Evidence (as modified for San Diego County) in the case materials. Only specified types of objections listed in the case materials will be recognized in the competition. Other evidentiary rules may not be used at the trial.
- G. The pretrial motion, motions entering exhibits into evidence, and motion to strike testimony are the only motions allowed. All other motions are prohibited. If a motion is made that is not listed in this section, scorers may deduct up to two points from the team's total team presentation/participation score.
- H. There are no objections allowed during opening statements or closing arguments. (It will be the judge's responsibility to handle any legally inappropriate statements made in the closing, while scorers will also keep in mind the closing argument criteria.) Two points must be deducted for each objection made during opening statements or closing arguments.

Rule 3.6— Physical Evidence

- A. The prosecution team must bring to each trial the physical evidence listed under the heading "Physical Evidence" in the case materials. All reproductions can be as small as the original size of the exhibits found in the case material, but no larger than 22 x 28 inches. Teams will not be penalized if they choose not to reproduce and enlarge the exhibit as found in the case material. If the prosecution team fails to bring physical evidence to court, it may be reflected in the team presentation/participation score.
- B. No other physical evidence will be allowed. All physical evidence and witnesses found in this case, but not made physically available for trial, are unavailable and their availability may not be questioned.

- C. Procedures for introducing items into evidence: Attorneys may introduce physical exhibits, if any are listed under the heading “Evidence,” provided that the objects correspond to the description given in the case materials. Below are the steps to follow when introducing physical evidence (maps, diagrams, etc.). All items are presented prior to trial.
 - 1- Present the item to an attorney for the opposing team prior to trial. If that attorney objects to the use of the item, the parties shall raise the issue before the trial begins so the judge may rule.
 - 2- Before beginning the trial, mark all exhibits for identification by addressing the judge as follows: “Your Honor, I ask that this item be marked for identification as Exhibit # ____.”
 - 3- When a witness is on the stand testifying about the exhibit, the attorney may show the item to the witness and ask if the witness recognizes the item. If the witness does, the attorney may ask the witness to explain it or answer questions about it. This shows how the exhibit is relevant to the trial.
- D. Moving the item into evidence: Exhibits must be introduced into evidence if attorneys wish the court to consider the items themselves as evidence, not just the testimony about the exhibits. Attorneys must ask to move the item into evidence during the witness examination or before they finish presenting their case.
 - 1- “Your Honor, I ask that this item (describe) be moved into evidence as People’s (or Defendant’s) Exhibit # and request that the court so admit it.”
 - 2- At this point, opposing counsel may make any proper objections.
 - 3- The judge will then rule on whether the item may be admitted into evidence.
- E. Whether a team introduces, uses, and moves the physical evidence into evidence is entirely optional, but all physical evidence must be accessible by all team members.
- F. Evidence should not be altered in any way. Witnesses and attorneys are not permitted to mark on the exhibits. Any alterations to the exhibits may be grounds for disqualification from the competition.
- G. Illustrative aids of any kind are prohibited, including but not limited to the use of electronic or light projected aids.
- H. The official diagrams establish only relative positions. Because the scale (if any) is approximate, the diagrams cannot be used to definitively establish distances. The issue of distances should be based on the witnesses’ testimony and is a matter of fact for judges.

Rule 3.7— Witnesses

- A. Although witnesses are excluded from the trial proceedings in actual trials, for educational purposes, witnesses in the Mock Trial Competition will remain in the courtroom for the entire trial. Witnesses will sit in designated seating in the courtroom.
- B. The fact situation, witness statements, stipulations, and exhibits are the official case materials and make up the sole source of information for testimony.
- C. A witness can only testify to their own witness statement and any portion of the fact situation, stipulations, and exhibits of which they would reasonably have knowledge. Witnesses may not testify or respond to another witness’ testimony, unless otherwise stated in the stipulations.
- D. Unless otherwise stated, attorneys may not solicit information from a witness that requires the witness to testify to information from another witness’ statement or information not included in their own statement except as permitted in Rule 3.7 C.
- E. The witness statements contained in the case material should be viewed as signed statements made to the police by the witnesses. Unless otherwise specified, a witness can be impeached if the witness contradicts their witness statement or any portion of the fact situation, exhibits, or stipulations of which they could reasonably have knowledge using the procedures as outlined in the case material.

- F. Because this is a mock trial, witnesses may not be treated as hostile witnesses.
- G. All witnesses must be called in the allotted time. If the direct examination attorney runs out of time without calling one or more witnesses, the direct examination attorney and the witness will each automatically receive a score of zero for each witness not called, and the cross-examination attorney will automatically be awarded ten points for each witness not called. Once the time allotted for witnesses has ended, direct examination attorneys may not call any other witnesses.
- H. Cross-examination is required for all witnesses. If the cross-examination attorney does not cross one or more witnesses, the cross-examination attorney will receive a cross-examination score of zero for the witnesses.
- I. Witnesses are not allowed to use notes while testifying during trial.

Rule 3.8 — Deliberate Running of Opponent’s Time aka “Filibustering”

- A. Although a witness may be permitted to give a brief response answer other than a simple “yes” or “no” to questions on cross-examination, consistent with common trial practice, no witness may provide non-responsive or narrative answers on cross-examination to consume the other team’s cross-examination time. If an attorney believes a witness is unreasonably running time, in addition to objecting that an answer is “nonresponsive” or a “narrative”, the opposing attorney can object saying, “Objection, Your Honor. The witness is unreasonably running time”. If the judge determines there has been an unreasonable running of time, the witness may be admonished by the judge and the judge will direct the attorney scorers to deduct up to five points from the offending witness’s score.
- B. If a team has several competitors who unreasonably run time, in addition to the individual point deductions, up to five points may be deducted from the offending team’s participation score.
- C. Any effort to deliberately consume the opposing team’s time through these techniques may also violate the Code of Conduct and may be sanctionable under Rule 1.2.

Rule 3.9 — Unfair Extrapolation

- A. It is each student’s responsibility to work closely within the record.
- B. An unfair extrapolation (UE) occurs when a witness creates a material fact not included in their official record. A material fact is one that would likely impact the outcome of the case.
- C. Witnesses may, however, make fair extrapolations from the materials. A fair extrapolation is one in which a witness makes a non-material reasonable inference based on their official record. A fair extrapolation does not alter the material facts of the case.
- D. Unfair extrapolations are best tackled through impeachment and closing argument. They should be dealt with by attorneys during the trial.
- E. Attorneys shall not ask questions calling for information outside the scope of the case materials or requesting an unfair extrapolation.
- F. If a witness is asked for information not contained in the witness’s statement, the answer must be consistent with the statement and may not materially affect the witness’s testimony or any substantive issue of the case.
- G. If a witness provides UE in testimony, the opposing attorney may make a UE objection.
- H. When a UE objection is made, possible rulings by a judge may be one of the following:
 - a) No extrapolation has occurred. Objection overruled.
 - b) An unfair extrapolation has occurred. Objection sustained.
 - c) The extrapolation was fair. Objection overruled.
- I. The decision of the judge regarding extrapolations or evidentiary matters is final. Scoring attorneys must take the judge’s ruling on unfair extrapolations into consideration when determining the point deduction.

- J. Witnesses making unfair extrapolations and/or attorneys who ask questions that require the witness to answer with an unfair extrapolation should have one point deducted from their individual scores.
- K. If a team has several competitors making unfair extrapolations, in addition to the individual point deductions, up to five points may be deducted from the offending team's presentation/participation score.

Rule 3.10 — Timing and the Role of Clerk, Bailiff, and Unofficial Timer

- A. The Mock Trial Competition involves timed presentations. The clerk is the official neutral timekeeper for the trial. The clerk must keep accurate time for both teams, provide time remaining warnings, and complete a timesheet. In addition, any member of the defense team may serve as an unofficial timer. This unofficial timer must be identified before the trial begins. To avoid timing issues, both the clerk and unofficial timer must sit next to each other during the trial and may communicate with each other.
- B. The clerk and unofficial timer must bring a stopwatch or digital timing device (no cell phones, tablets, or other electronic devices), the official timesheet, and official timecards to each trial. The official timesheet and timecards can be found at www.sdmocktrial.org. Timecards must be printed on white paper (card stock recommended but not required).
The timecards will have the following time warnings:
 - 2 minutes
 - 1 minute
 - 30 seconds
 - Stop
- C. Modifications of time intervals are not permitted.
- D. Each team will have 40 minutes to present its case, including the pretrial motion. The time may be utilized however they choose, but the maximum allowable totals for each section must be observed.
Time limits for each section are as follows:
 - Pretrial Motion (4 minutes) and Rebuttal (2 minutes)
 - Opening Statement/Closing Argument (9 minutes) and Rebuttal (1 minute)
 - Direct/Re-direct Examination (14 minutes)
 - Cross-Examination (10 minutes)
- E. The time will start when each attorney starts to speak (i.e., first word of pretrial, opening, direct, cross- examination, and closing). Examples include but are not limited to:
 - "May it please the court..."
 - "Your Honor..."
 - "Please state your name for the court..."
- F. The time will be stopped when:
 - Witnesses are called to the stand and are sworn in by the bailiff
 - Attorneys make objections and judge rules on objection
 - Judge questions attorneys and witnesses
 - Judge offers their observations
 - A witness asks for a question to be repeated
 - Attorneys request the time remaining
- G. Requests for the clerk to provide time remaining, also known as time checks, are limited to four per team during the trial. The clerk must provide the time remaining for both teams when a request is made by an attorney.

- H. The time will not be stopped if witnesses are asked to approach the diagram. Time will not be rounded off and must be measured to the whole second. One minute is automatically reserved for rebuttal at the conclusion of the closing argument. Only issues that were addressed in the opponent's closing argument may be raised during rebuttal.
- I. Both visual and verbal warnings will be given at 2-minute, 1-minute, and 30 seconds before the end of each section. The time remaining cards must be displayed in a manner to ensure that there is a clear view for the counsel and judge. The clerk will stop students (both visually and verbally) at the end of the allotted time for each section. Thus, there will be no allowance for overtime. Two points must be deducted from the clerk's score if any section of this rule has been violated. Scorers may deduct additional points from the clerk's score if there are multiple violations of the rule.
- J. If timing variations occur of 15 seconds or more at the completion of any task during the trial, the timers will notify the judge immediately that a time discrepancy has occurred. Any time discrepancies under 15 seconds are usually not considered a violation unless there is an intentional error or repeated errors on the part of the clerk. No time discrepancies will be entertained after the trial concludes. The judge shall determine whether to accept the clerk's time or make a time adjustment.
- K. At the end of the pretrial motion and the trial, the clerk will time the 30-Second Rule.
- L. The judge and attorney scorers will be allowed 10 minutes for debriefing. The clerk will time the debriefing. The clerk will provide the judge and attorney scorers with a 2-minute, 1-minute, and 30 second visual warning, and will advise when 10 minutes has expired.
- M. The clerk will not be scored on timing the debriefing, consultations, and any formal presentations regarding irregularities. No extensions of time will be granted.
- N. The bailiff will call the court to order and swear in the witnesses. In addition, the bailiff must bring a copy of the 2023-2024 Team Rulebook and Case Packet should the judge need to clarify an issue or question. Prior to the start of the trial the bailiff will collect from both teams the trial team lineup and award nomination forms and distribute them to the scoring attorneys and judge. Each team will also be given a copy of the opposing team's trial team lineup.
- O. Before calling the court to order, the bailiff will remind the audience to turn off all cell phones and that ABSOLUTELY NO FOOD is allowed in the courtroom. Water is permitted. If spectators must step outside, they should do so quietly to avoid disrupting the participants.
- P. The bailiff will call the court to order using the following language:
 "All rise, Superior Court of the State of California, County of San Diego, Department ____, is now in session. The Honorable _____ presiding. (Allow time for the judge to take the bench.) Please be seated and come to order."
- Q. The bailiff will swear in the witnesses by using the following language:
 "Do you solemnly affirm that the testimony you are about to give will faithfully and truthfully conform to the facts and rules of the Mock Trial Competition?"

Rule 3.11 – 30 – Second Rule and Raising Trial Irregularities

- A. There will be 30 seconds provided, if needed, at the end of the pretrial and at the end of the trial for active competitors from each team to confer with their Team's teacher and/or attorney coach to discuss any trial irregularities.
- B. If there are any irregularities regarding the rules of the competition which a team would like to bring to the attention of the judge and scorers, one active competitor will have 30 seconds to orally note the irregularities to the court. Attorney coaches may not directly make claims on behalf of the team.
- C. The active competitor claiming an irregularity must be able to point to the specific incident of misconduct and cite the corresponding rule in the team rulebook and/or case material to the

judge using the following script: “Your Honor, the Prosecution/Defense identified a substantial trial irregularity (or irregularities). The opposing team [specify team member] violated Rule [specify rule and section] by [explain violation]. [Optional] The violation worked to the advantage of the other team and disadvantaged our team by [explain impact].”

One active competitor arguing against a claimed rule violation, in 30 seconds, should cite specific conduct and rules which support their position.

- D. The judge will hear arguments in favor of and against an alleged rule violation/irregularity and decide whether a rule violation occurred. The judge’s decision will be final.
- E. If the judge determines a violation has occurred, and there is not a specified mandatory point deduction outlined in the team rulebook, the judge will direct the scoring attorneys to take the violation into consideration. The scoring attorneys will use their discretion to determine independently how many points (if any) will be deducted from the individual or offending team’s score. If the judge does not rule on a claimed rule violation or chooses to defer to the attorney scorer’s observation, the scoring attorneys may use their discretion to determine independently how many points (if any) should be deducted from the individual or offending team’s score.
- F. Arguing for hyper- technical interpretations of the rules, especially when designed to embarrass others or to gain an unfair advantage, is prohibited and up to five points may be deducted from the participation score of the team asserting the hype-technical claim.
- G. Claims of irregularities regarding the rules of the competition are not to be used to argue additional points of law or rebut opponent’s arguments.

Evaluation and Team Advancement

Rule 4.1 — Rule Interpretation

- A. The rules are designed to introduce the procedures of law to participants and to foster good sportsmanship. Interpretations of the rules should be guided by common sense.
- B. No bench conferences are allowed.
- C. Unless a specific point deduction is provided in the rules, each scorer will determine the appropriate amount of point deduction individually.
- D. All decisions of the judge and scoring attorneys are final. No exceptions.
- E. The SD Committee, in its sole discretion, ultimately resolves any disputes over interpretation or application of the rules.

Rule 4.2 — Scoring Panel

- A. The competition “scoring panel” will typically consist of three or more attorneys. Judges do not score the mock trials; they preside and render the verdict.
- B. The trial judge will be an active or retired judicial officer. If no judicial officers are available to fill all judge roles, the SD Committee may invite an experienced attorney to serve as a judge.
- C. San Diego County Conflict of Interest Policy: Attorneys who have a child (or close friend or relative) competing on a high school team during the 2023-2024 San Diego County High School Mock Trial Competition season (September 2023 through March 1, 2024) are ineligible to serve as scorers during the competition. Attorneys who serve as an adviser, coach, judge, or scorer for practices or unofficial scrimmages for any San Diego County high school team or teams during the 2023-2024 competition season (September 2023 through March 1, 2024) are ineligible to serve as an attorney scorer for the 2024 competition.

Rule 4.3 — Evaluation and Scoring

- A. Each scoring attorney will use the evaluation and scoring criteria to assign a numerical value (1-10) to individual and team presentations.
- B. Clerk and bailiff are evaluated using a scale of 1-5. On the ten-point scale, scoring attorneys should consider a “5” as a starting point and move up or down based on the presentation.
- C. Scoring attorneys must award points individually and not with consultation from other scoring attorneys.
- D. Some scores are weighted and therefore can affect a team’s score more dramatically. These include the pretrial motion (x2) and the closing argument (x2).
- E. The scoring attorneys will use the evaluation and scoring criteria to score the individual presentation in each category.
- F. The scoring attorneys are not evaluating the legal merits of the case.

Rule 4.4 — Ranking and Matching

- A. The side (prosecution/defense) assignments and matching for the first round will be random. For the second round, the team side assignments will be flipped and team matching will be based on a ranking and matching system defined below. Any rounds beyond that will be based on the same ranking and matching system.

B. Ranking

Teams will be ranked in the following order:

1. Win/Loss Record - equals the number of rounds won or lost by a team determined by the total number of raw points given in the trial. For example:
 - Team “A” has a total of 187 raw points.
 - Team “B” has a total of 176 raw points.
 - The winner of the trial is Team “A” with 187 raw points.

If there are any ties in category one, teams will be ranked based on the following order:

2. Total Number of Scoring Attorneys Who Gave a Team the Highest Number of Points in the Round, otherwise known as a “winning ballot,” or in any preceding rounds. For example:
 - If all three attorney scorers give Team “A” the greatest number of points on their respective ballots, Team “A” would accumulate THREE winning ballots.
 - If two attorney scorers give Team “A” the greatest number of points and one attorney scorer gives Team “B” the greatest number of points, Team “A” would accumulate TWO winning ballots and Team “B” would accumulate ONE winning ballot.

If there are any ties in category two, teams will be ranked based on the following order:

3. Total Number of Points accumulated in each round.

If there are any ties in category three, teams will be ranked based on the following order:

4. Point Spread Against Opponents – the point spread is the difference between the total points earned by the team whose tie is being broken less the total points of that team’s opponent in each previous round. The greatest sum of these point spreads will break the tie in favor of the team with the largest cumulative point spread.

C. Matching

Brackets will be determined in the following order:

- Following round one, teams will be ranked as described in Rule 4.4 B and brackets will be created.
- If a bracket is equal to or greater than twelve teams, the bracket will be split in half to create two sub-brackets for matching purposes. SD Committee reserves the right to modify the size of a bracket or brackets to ensure the opportunity for teams to conduct two rounds as prosecution and two rounds as defense.

- The team at the top of the bracket will be matched with the team at the bottom of the bracket. Then the next highest team with the next lowest team within the bracket and so on until all teams are matched.
 - If there is an odd number of teams in a bracket, the team at the top of the bracket will be matched with the top team from the next lower bracket.
- D. To the greatest extent possible, teams will alternate side presentations in subsequent rounds and will not meet the same opponent twice. Bracket integrity in matching may supersede alternate side presentation. However, the SD Committee reserves the right to match teams to ensure each team performs two rounds as prosecution and two rounds as defense. All teams must agree to take whichever team or side (prosecution or defense) they are assigned and to make any changes requested by the SD Committee that may be necessary for the good of the overall competition.

Rule 4.5 — Forfeit

- A. All competitors must be in the courtroom at the appointed time, ready to begin the round. Incomplete teams must begin the trial without their missing members or with their alternates. If a scheduled team is not present in the assigned courtroom within 15 minutes, that team forfeits the trial and is subject to possible disqualification (subject to the discretion of the SD Committee). Mock Trial teams traveling to the downtown Superior Court Central Courthouse should allow for traffic delays. All competitors shall allow for the considerable time it takes to get through security screening upon entering the courthouse.
- B. A forfeiting team will receive a loss and points equal to 50% of the score of the team that received the fewest points in that round.
- C. The team scheduled to go against the forfeiting team will receive a win. That team will receive points equal to the average of all winning competing teams in that round.

Rule 4.6 — Championship Round

- A. The two winning teams from the semifinal round will compete in the Championship Round.
- B. The team with the highest score from the semifinal will select the side assignment of their choosing.

Rule 4.7 — Awards

- A. An award ceremony for the San Diego County High School Mock Trial Competition will be held on February 27, 2024. Awards will be given as follows:
- Prosecution Pretrial Attorney – 3 awards
 - Defense Pretrial Attorney – 3 awards
 - Prosecution Attorney – 4 awards
 - Defense Attorney – 4 awards
 - Prosecution Witness – 5 awards
 - Defense Witness – 5 awards
 - Clerk – up to 2 awards
 - Bailiff – up to 2 awards
 - David H. Bartick Civility Award
- The SD Committee reserves the right to bestow additional awards, and registered teams will be notified by February 1, 2024.
- B. The first and second place teams will receive a school plaque and first or second place ribbons for all competitors. Third and fourth place teams will also be specially acknowledged. All competitors will receive a Certificate of Participation.
- C. Teams will select a most valuable player (MVP) from their opposing team for each round of competition. At the end of each round and before the debrief, each team will be given a few minutes

to confer to select a competitor from the opposing team who they feel should be recognized with an MVP award. Criteria for this award include the competitor's demonstration of skill in the performance of the competitor's trial role, adherence to mock trial rules, civility, and collegiality towards the opposing team. All competitors who are selected as an MVP will receive a special certificate and be acknowledged during the award ceremony.
